The Contractor shall provide three (3) copies of the packing list to the U.S. Despatch Agent as specified in the contract or order. The Contractor shall place the fourth copy of the packing list in packing case number one, which shall be marked as such so that it is easily identified by the consignee. Upon receipt of the packing list, the Despatch Agent will furnish export marks and instructions regarding shipment to the port specified, depending upon steamer services available at the time.

(d) The export marks shall be stenciled on one side of each box reserved for that purpose, and the appropriate case number stenciled in the lower left-hand corner of the same side. The contract and, as necessary, order numbers, net and gross weights in kilograms shall be stenciled on the same side. However, if the size of the box is too small to accommodate all stenciling on one side, the contract and order numbers and weights may be stenciled on the side opposite that used for the export marks and case number.

(e) The contract and, as necessary, order numbers must appear on all containers and papers relating to this clause.
